Shift Report - Karo OCP

Date: 23 June 2026

Shift: A (06:00 - 14:00)

Personnel:

- Shift Overman: Ramesh Kumar

- Mining Sirdar: Amit Singh

- Excv Operator: Suresh

Locations:

- Panel 4B

- CHP Transfer Point 1

Equipment:

- Shovel S-12

- Dumper D-45, D-46

- Auxiliary Fan F-02

Safety Observations:

- All pre-shift inspections were completed on time.

- Auxiliary Fan F-02 is functioning perfectly with adequate ventilation measured at 5 m/s at the working face.

- Water sprinkling was done continuously on the haul roads, minimizing airborne dust.

- Conveyor belt pull cords at CHP Transfer Point 1 were tested and are fully operational.

- All personnel were wearing proper PPE (hard hats, safety boots, dust masks, reflective vests).

- No hazards identified.

Corrective Actions:

- None required. All operations proceeded smoothly and safely.
